

JESSICA BARKMAN SPORTS SCHOLARSHIP

In November of 1997, Jessica Barkman was killed in an automobile accident in Texas. This scholarship was established to keep her memory alive.

Jessica was a member of Immanuel Lutheran Church, a Girl Scout, a Girls Inc. member, a graduate of Indiana State University, a teacher and a Girls Inc. staff member. She was also a great athlete, winning the most valuable player award in volleyball, basketball and track during her senior year at Seymour High School. She attended Indiana State on a volleyball scholarship. Jessica will be remembered and admired for her outstanding talent and strong determination. Girls will always be able to look up to Jessica as an inspiration and great role model.

The purpose of this scholarship is to financially help young girls strengthen their athletic ability by attending sports camps, club ball, etc. Jessica received assistance to attend Hanover Basketball camp and she would have been honored to give other girls the opportunity that she had to experience sports camps. The scholarship will be based on financial need, athletic ability and a coach's recommendation.

Scholarship applications are due by April 1, and should be turned in to Girls Inc. of Jackson County, located at 956 N. O'Brien Street, Seymour.
